

SCALE ↻ PCYCLING

Collage art workshop

Place: Youth centre

Date: 24-04-2024

Budget: Maximum of 50 euros

Mode: Face to face

Target group: Youth, younger audience interested in art and interested in learning about the concept of upcycling

Collaboration: Yes, Youth Centre (Pracownia Młodych na Kozłówce)

Goals: The main goal is to teach young people about upcycling by creating art pieces using recyclable goods, such as old paper, fabrics, plastic.

Resources: People: youth centre coordinator, youngsters/participants Materials: old newspapers, bottle caps, ribbons, metal pieces, old fabrics, glue, scissors, A4 paper; snacks and drinks for the participants

Dissemination: Post on social media site of the Youth Centre Posters in the Youth Centre

Brief description: The event takes place in a Youth Centre and it is an collage art workshop using recyclable items that can be found in the Centre (since it does have recycling bins). The participants will be given a topic of the workshop and encouraged to use recyclable goods. After the workshop, the host will explain the concept of upcycling and start a discussion on how could the used recyclable goods in this workshop could be otherwise used.
