- Garden scarecrow from waste materials

Place: Vranje

Date: 30-04-2024

Budget: free

Mode: Face to face

Target group: Young people.

Collaboration: Schools

Goals: Make a garden scarecrow from waste materials. Give information about upcycling.

Resources: Eco materials and 10 young volunteers.

Dissemination: The activity will be promoted through popular social networks and local television.

Brief description: Young people will bring materials they have at home to make a Garden Scarecrow from waste materials. This includes old clothes, shoes, hats, rope, string and more.
